

Commission V– Secretion/Absorption

In 2010 new commission members were elected including René J. Bindels (Netherlands, chair), Shmuel Muallem (USA), Jens Leipziger (Denmark), Marcelo Morales (Brazil), Kenichi Ishibashi (Japan), and Philip Poronnik (Australia).

The International Scientific Planning Committee meeting in Oxford was attended in 2011 in the preparation of the IUPS 2013 meeting in Birmingham for which ample suggestions for symposia and key note lectures were submitted by the commission in 2012. They elected Dr. Dennis Brown (Harvard University) as the Robert Pitts Lecturer for the IUPS 2013 meeting.
